FOX LAKE IS SCENE OF DOUBLE DROWNING TRAGEDY

Wilfred Hall and Mrs. W. R. Behanna Lose Lives When Boat Overturns

Many Antioch people attended the funeral services held Tuesday for Mrs. W. R. Behanna and Wilfred Hall, Waukegan, who lost their lives in Fox Lake Saturday evening when the windstorm overturned the yacht on which they were sailing.

Mrs. Behanna and her husband, Corporation Counsel William R. Behanna, Attorney and Mrs. Hall and Attorney and Mrs. Harold J. Tallett of North Chicago had been the dinner guests of Attorney and Mrs. Jack Bairstow at their summer home on Crab Apple Island in Fox Lake Saturday evening.

When a sailing party was suggested after dinner, all but Mrs. Tallett and Mrs. Bairstow had gone out in the Bairstow yacht. While waiting for a breeze to blow the boat into landing, it was suddenly struck by a terrific squall which overturned the boat, hurling all six of the passengers into the water. All managed to crawl up on the bottom of the overturned boat and to cling there until the mast struck bottom and broke off, again throwing the parties into the water.

Send Rescue Party

A rescue party was started by Attorney Harry Hall, a brother of the victim, who had been in the Hall cottage on Crab Apple Island, and John Fisher, another resident of the island. The boats were driven back time after time, but at length reached the scene in time to rescue Mrs. Ebb Hall, Behanna, Bairstow and Tallett.

The missing members were not located until 7 o'clock Sunday morning, when a crew from the Great Lakes Naval Station brought up the body of Mrs. Behanna about 50 feet from the spot where the others had been rescued. Shortly afterwards a crew from the Public Service Company of Northern Illinois located the body of Hall.

A verdict of accidental drowning was returned after the inquest held at Wetzel and Petersen funeral home Monday.

Hall Well-Known

Funeral services for Wilfred Hall were held Tuesday afternoon at the First Methodist church with interment at North Shore Garden of Memories.

Edwards Ranks High in Ag. College

Ward L. Edwards, Antioch, Ill., was one of 119 students in the University of Illinois College of Agriculture to make second semester grades this year of 4. or better out of a possible 5, according to the announcement made in Urbana-Champaign today by Dean H. W. Mumford.

Edwards is a junior in the College of Agriculture. Of those on the superior scholarship list were the names of 43 seniors. His average was 4.18.

Five of the total number made 5, which is equivalent to A in the letter grading system.

Auxiliary Holds Birthday Party For Disabled Vets

The Antioch unit of the American Legion Auxiliary sponsored a June birthday party yesterday for those members of the Five Points Hospital for Disabled Veterans at North Chicago whose birthday occur in June.

The unit presented the men with six cartons of cigarettes and a large decorated birthday cake. The members also provided about 200 cupcakes which were served with a jello dessert following the party. The afternoon was spent in playing cards.

Those attending from Antioch were Mesdames Walter Hills, Erma Powles, Sime Laursen, Clarence Shultz, G. W. Jensen, Paul Chase, Henry Reinke, Christ Mortensen, Thomas McGreal, James Webb, Podd of Fox Lake, and Miss Lorraine Hanks.

Mr. and Mrs. Arthur Lubkeman and Mr. and Mrs. Brischin of Waukegan and Mrs. William Grube attended a picnic at Mooseheart Sunday.

County Pure Milk Meeting Is Called For Price Raise

Need Temporary Increase to Balance High Cost of Feed

A county meeting of the Pure Milk Association will be held tonight at the Grayslake school auditorium to discuss the possibilities of a temporary increase in the milk price. The Lake Zurich PMA local is proposing that the price be fixed at \$2.58, 29 cent increase in the gross return on milk sales.

The price per hundredweight is now about \$2.00 an increase of 25 cents over the average price received by the farmers following the milk strike of last January. However when the butter fat tests and surplus of milk over the base are figured and deducted, few farmers receive more than \$1.75 per hundredweight, many of them receiving less. There is no fixed price, as each farmer has a different test and milk surpluses.

The farmers are requesting this temporary increase so that they may more nearly equalize the high cost of feed, which has resulted from the drought, with their milk check incomes. Hay is more than \$15 per ton, with little prospect of more than a 25 cent hay crop, according to figures of Harold D. Kelsey, chairman of the county board of supervisors, who has asked that the meeting be called. Silage will be less than normal, depriving the farmers of a full winter supply.

Many farmers will have to seek loans of at least \$200 or more to purchase feed to see them through the next winter, unless their incomes from their milk production are increased.

Hackett Signs Teaching Contract With Leyden H. S.

Albert Sutter to Replace Cox as Science Teacher and Coach

Fred H. Hackett, for six years an instructor of manual arts at the Antioch Township High School, Monday signed a contract to teach at Leyden Community High School in Franklin Park. It was learned this week. He will teach general shop and mechanical and architectural drawing. It is understood that he was offered a substantially larger salary to go to Leyden.

The vacancy on the Antioch staff created by his resignation has not yet been filled, according to Prin. L. O. Bright.

Hackett is the third high school instructor who has left Antioch to become a member of the Leyden teaching staff. The others are L. A. Stark, music director, and L. R. Watson, coach and physical education director, both of whom are still on the staff.

Mrs. Hackett, who for the past several years has been employed as a part time teacher of art at the high school, has resigned also. The Hacketts and their two children, Donald and Florence, plan to move to Franklin Park later in the summer.

Coach Is Hired

Albert Sutter of La Grange, has signed a contract to become coach and science instructor at the high school next year. Mr. Bright announced this week. He comes highly recommended from La Salle High School, where he has been employed for the past two years.

An effort was made last summer to secure him as coach to fill the vacancy made by the leaving of Gerald G. Reed, but Sutter was under a two-year contract at LaSalle, which he declined to break. He possesses a master's degree from the University of Michigan and is working on his doctor's degree. He and his wife will move to Antioch in September.

Gov. Horner Not So Dumb!

The Horner administration is still trying to find some explanation for the defeat of more than 50 Democratic county chairmen nearly all of whom were supporters of Gov. Horner. Many Democrats explain that the upsets were due to Gov. Horner's frequent statement to job hunters that "I have a lot of Republicans on the state payroll because I have never been able to find Democrats with the ability to fill the jobs."

J. G. Yahnke, of Libertyville, yesterday began his duties as director of advertising for the Antioch News. Mr. Yahnke, although young, has had considerable experience as an advertising man and publisher's representative. He will make regular calls on the trade in this locality, and he will gladly offer suggestions and assist in arranging copy for either advertisements or job printing. Call him on the News telephone—Antioch 43.

Sunday guests of Mr. and Mrs. Fred Klinrade were Mr. and Mrs. Geo. Allen and son, Albert, Mr. and Mrs. Thompson, Mr. and Mrs. Ed Minton of Chicago, and Mr. and Mrs. Warren Snyder and two sons of Mundelein.

BERWYN MAN FALLS FROM BOAT; DROWNS

Body Is Recovered in Bluff Lake by Members of Fire Dept.

LAST WEEK after the News' force had labored long and arduously to the end that the village treasurer's statement might be completed in time for publication in Thursday's edition, it was discovered that Village Treasurer Laurel D. Powles had omitted his signature and sworn statement from the important document, and when the publisher went in search of the treasurer he was politely informed by an attendant at the Antioch Garage where Powles is bookkeeper—"Deak? Why he's gone to get married. Won't be back till Saturday."

Now the hypothetical question: When a man's rushing into matrimony and it's near the zero hour, can you blame him for a slight business oversight? Answer—NO!

MEASLES EPIDEMIC SPREADS IN ANTIOTH

Eight more cases of measles have been reported since last week to Village Health Officer, H. F. Beebe, raising the total of reported cases to about fifteen. Despite warnings to report all cases, Dr. Beebe said that he was certain that a number of persons were evading quarantine by neglecting to report the illness. The quarantining imposed is not strict, affecting only the afflicted persons and permitting freedom to other members of the family. It is particularly important that children be kept out of contact with those suffering from the disease.

Although resuscitation efforts were made by the firemen, the man could not be revived.

The identity of the man was revealed only after the discovery of a fishing license bearing his name and the name of his town. No street address was given. This was obtained by inquiring of the Berwyn police department.

The elderly couple left for Chicago before the inquest, which was held at Strang's Undertaking Parlors. The other man remained to testify, but could give little information of value, as he had met the victim only that morning and could not recall his name.

The body was taken to Berwyn yesterday. The deceased, who was a Chicago street car conductor, leaves a wife and two children.

Heart Ailment Causes Death of Harry Lasco

Harry George Alfred Lasco, 22-year-old son of Mr. and Mrs. W. H. Lasco, Channel Lake, passed away about 8:15 Thursday evening, as a result of rheumatism of the heart from which he suffered for four days. He had not been well for three years.

Funeral services were conducted at 2 o'clock Monday afternoon at the Wilmot Lutheran Church by Rev. S. A. Jedeole. Interment is in the Hillside cemetery.

Young Lasco was born in March, 1912 on a Channel Lake farm, and received his education in the Channel Lake school. For a number of years he has worked on the farm with his father. He is survived by his parents, five brothers and a sister and many other relatives. He was a member of the Wilmot Lutheran Church.

A Slouch Hat May Be a Good Thing at That

Joseph Knight, of Dow, Democratic central committeeman from the 20th (Rainey) congressional district, has been made an assistant commerce commissioner, purely for perseverance. Gov. Horner has been heard to lament that he shook hands with young Knight no less than 95 times in his campaign for governor. Knight affects a slouch hat like J. Ham Lewis, nose glasses and a big cigar. As soon as Gov. Horner took office, Knight visited department directors as fast as they were named, informing them: "I'm in line for a good job. What have you got at about \$4,000 a year, that isn't too confining?" The assistant commissioner seems to be the answer.

GREGORY YAHNE COMES TO NEWS

J. G. Yahnke, of Libertyville, yesterday began his duties as director of advertising for the Antioch News. Mr. Yahnke, although young, has had considerable experience as an advertising man and publisher's representative. He will make regular calls on the trade in this locality, and he will gladly offer suggestions and assist in arranging copy for either advertisements or job printing. Call him on the News telephone—Antioch 43.

Sunday guests of Mr. and Mrs. Fred Klinrade were Mr. and Mrs. Geo. Allen and son, Albert, Mr. and Mrs. Thompson, Mr. and Mrs. Ed Minton of Chicago, and Mr. and Mrs. Warren Snyder and two sons of Mundelein.

Antioch To Observe Safe And Sane Fourth

Due to the Fourth of July coming at mid-week this year, merchants, hotels and taverns are not anticipating as large a holiday crowd as in years when the holiday occurs near the weekend. However, a large crowd will trek to the lake region to enjoy the day if weather permits.

For the first time in many years, Antioch will see the Fourth of July come and go without ceremony of public entertainment. Heretofore, the local American Legion post has sponsored a four-day carnival which culminated on the Fourth with a grand display of fireworks.

The Legion plans to put forth their efforts this year into presenting the annual Armistice dance, which in previous years has been sponsored by the Antioch Volunteer Fire Department. When the firemen decided to discontinue the dance, the Legion agreed to sponsor it.

Few pre-Fourth fireworks explosions by rowdy boys have disturbed the village peace thus far this season, although it is reported that a new type of firecracker very popular with garage mechanics has made its appearance in Antioch. All indications point to a safe and sane Fourth.

FARMERS RECEIVE FREE SEED AND FEED

580 Applications for Aid Are Approved; Carloads of Feed Arrive

Within five days after the closing of the office of the IERC in Waukegan to which about half of the county farmers applied for free seed or feed, several carloads were rushed to the S. L. Tripp lumber company at Mundelein and to the L. W. Murrie company at Russell and distributed to the farmers. These two companies received government contracts for the distribution of the material.

More than 700 farmers appeared before the IERC, 622 of them applying for seed or feed. Of that number only 42 were rejected. Soybeans were most generally in request, the farmers planning to plow up oat fields or use idle lands to plant the beans, hoping to get a crop to provide feed during the late fall and winter for their dairy herds.

Farmers of the western and southern parts of the county received their allotments at Mundelein, while the eastern and northern sections were accommodated at Russell. The federal government, through the AAA, is supplying the material, with the program being carried out by the Illinois Emergency Relief Commission.

AAA Provides \$21,000

Contracts provide for an expenditure of \$21,023 for drought relief here, according to Miss Ada Niedermeyer, relief administrator and AAA representative.

This is divided as follows: 5,304 bushels of oats; 6,200 pounds of standard middlings; 2,000 pounds of malt; 114 tons of hay; 1,127 bushels of corn; 20 bushels of wheat; 2,000 pounds of bran; 10 bushels of barley; 7,940 pounds of millet seed; 3,260 pounds of sudan grass; 228 bushels of seed corn; 5,877 bushels of soybeans; 1,300 pounds of scratch and 5,600 pounds of ground feed.

May Receive Loans

Loans, not to exceed \$200, will be available to dairy farmers through the Illinois Emergency Relief Commission, according to William F. Kirkham, chairman of the IERC committee. These loans are payable January 1, 1935, at the rate of 5 per cent interest, with special provisions for payment on the instalment plan. To avail themselves of these loans, farmers must show a definite need for them.

Storm Stops Showing of Sport Pictures at Haling's Resort

The showing of sports moving pictures by Otto H. Questish, of Chicago, at Haling's Resort last Saturday night had just fairly got underway when the wind and electrical storm put out the lights. Chas. Haling, Jr. promises an early showing of the pictures at his resort. He is also planning outdoor boxing shows for the summer months.

JIM ALL SET TO FLATTEN PLUMMER TOMORROW NIGHT

Grapplers to Settle Six Year Dispute in Round Lake Arena

Just who is the heavyweight wrestling champion of Lake County, will be decided tomorrow night (Friday), when Jim McMillen of Antioch and Lou Plummer of Waukegan climb through the ropes to settle their six year dispute before some 2000 mat addicts who are expected to pack Renehan's open-air arena at Round Lake.

The Antioch star and the Waukegan "Wild Man" have finished training for their impending battle and each appears in the pink of condition. Plummer will carry an eighteen pound weight advantage as he will enter the ring at 239 while McMillen will scale near 221 pounds.

Match Stirs County
The bout, which has stirred up much bitter rivalry between the followers of the two men, is almost traditional in character as it will be a battle for glory and honor rather than for gold.

The two local boys who made good in a big way in pro wrestling, will be struggling on their home grounds before their friends and neighbors, and to meet defeat would be to lose all the prestige they have built up in their community due to their success in the wrestling game.

90 Minutes to Finish
The main event will be one fall to a finish with a ninety minute time limit in accordance with the rules and regulations of the Illinois Athletic Commission. The prelims will have time limits of thirty minutes each. Charlie Levine will referee all matches.

The natural setting will make the big match an event long to be remembered in these parts. With the floodlights focussed on the ring in the center of the base ball diamond and the grandstands offering a bowl effect, a picturesque scene will be presented when the gladiators enter the ring. (Continued on page five)

MRS. REINKE IS ELECTED PRESIDENT OF LEGION AUXILIARY

Mrs. Henry Reinke was elected president of the American Legion Auxiliary at the annual election of officers held Friday evening. Other officers elected were: vice president, Mrs. Walter Hills; secretary, Mrs. Chris Mortensen; treasurer, Mrs. John Horan; chaplain, Mrs. Harry Radtke; historian, Mrs. Adel Peas; sergeant-at-arms, Mrs. Clarence Shultz.

A Fidac program featuring England was presented by a committee in charge of Mrs. Erma Powles, chairman. A resume of the lives of England's four great queens was given, after which Mrs. Henry Reinke read a paper on "Vagabonds in England."

The program was followed by an English tea.

Just a Pair of Old Pals on the Midway

Mayor "Sanitary Ed" Kelly is press agenting the world's fair and Gov. Horner is carrying the banner for the Duncan Sisters, both avoiding a lot of hot political issues. As the election approaches the whole Nafta-Steile-Kelly-Campbell-Horner outfit will try to crawl under Roosevelt's coat tails and thumb their noses at the voters. There is the possibility, though, that even Roosevelt won't have a coat by that time, if the tax collectors catch up with him and do what they are getting ready to do with the average citizen.

Petty Leaves for Education Conference at Washington, D. C.

Mr. and Mrs. W. C. Petty and two sons left this morning for Washington, D. C., where County Supt. Petty will attend the National Education Association conference as a delegate of the North Shore division of the Illinois State Teachers' Association. They plan to be gone about two weeks.

DROUGHT AFFECTS BUSINESS

Most important factor in the general business situation at present is the drought. Thousands of farmers who would normally offer a sizable market for clothes, farm implements, automobiles and similar manufactured products, are wondering how they are going to live through a barren year—and they are naturally keeping a tight hold on what money they have. The automobile industry is being hit unusually hard—in recent months the agricultural states have provided the largest market for new cars.

Aside from that, recent figures show small, but encouraging upturns in business activity. Commodity prices recently touched a new high.

It is an interesting fact that a number of business writers, including the editor of the *Analyst*, are afraid that the prospect of increased expenditures for relief by the Federal government is a threat to continued business improvement. They are of the opinion that government retrenchment, so far as spending is concerned, would tend to encourage capital, lead to industrial expansion.

WHO OWES US A LIVING?

"Walt Disney, re-creator of the famous Three Little Pigs, has a new story out—that of the Grasshopper and the hard working Ants," says the *Hollywood Tribune* of Portland, Oregon. "Its moral deals with our present problems so completely that it is worthy of serious consideration now.

"The story is about a Grasshopper who plays and sings all day, 'Oh, The World Owes Me a Living.' He wastes his food and time and is continually bothering the hard-working Ants, who are laying away food for the coming winter.

"Finally winter comes. There is no food for our happy Grasshopper. Snow falls and our Grasshopper friend turns blue with cold. He staggers to the door of the warm and happy Ants, who drag him in and thaw him out. As the Grasshopper returns to normal he is informed that all who eat the Ants' food must work. Dejected, he is about to leave when he is informed he may fiddle for his share. Happy again, he ends the story by singing 'Oh, I Owe the World a Living.'

"Have we been like the Grasshopper, happy in the thought that the United States owes us a living? . . .

Can the Government spend millions and even billions of borrowed money without having to pay it back?"

We like the grasshopper in the fable, can live as parasites—for a time. But a day of reckoning inevitably comes, precisely as the cold weather follows the warm. The public treasury is not a bottomless pit, irrespective of the views of politicians who would have us believe it is. And some chill morning we will awaken to find that the national theme-song has changed to "We Owe the World a Living." *

GOVERNOR HORNER IS RIGHT

In insisting that the fall election must be made a vote of confidence in his administration, Gov. Horner is taking a proper, if foolhardy, stand. There can be no other issue. The citizens of Illinois will have had nearly two years of Hornerism and all that the name implies. They will be in position to judge whether they want to encourage any more of it.

The election will not only give the voters a chance to express their opinion of Gov. Horner, but it is also the chance to tie his hands and to handcuff his friends who have been grabbing public funds.

The election of William J. Stratton as state treasurer will place a public official who has made a record for honesty, courage and efficiency between the Democratic politicians and the money of the taxpayers.

Re-election of Francis G. Blair as superintendent of public instruction will mean that the Cook county Tammany will be prevented from wrecking the downstate schools as it has wrecked the Chicago schools, while piling up an unbearable burden on the tax payers there.

The \$28,000,000 loan now being negotiated in Washington to pay back wages of Chicago teachers would never have been necessary had the Democrats administered school affairs honestly and in the interest of public schools. The teachers must be paid in any possible way, but this bond issue for 20 years at 5 per cent will add \$28,000,000 more in interest. Every one of these fifty-six million dollars could have been saved by mere honesty, by cutting out the graft and paying wages out of current income.

The election of a Republican House and increased Republican representation in the Senate will further safeguard the tax payers.

Yes, Gov. Horner is right in making his administration the issue.

Make him stick to it. *

WHY GOVERNOR?

Governor Horner tarried too long in Chicago on his way back from the Baer-Carnera fight and Assistant Governor Alex Wilson had to greet 300 members of the Sangamon county Horner Club when the women called at the Executive Mansion. But Gov. Horner was enabled to spend several nights in the Streets of Paris at the world's fair where he feasted his eyes on the Duncan Sisters, at least one of whom was his recent guest at the mansion.

Mrs. Carl Miller has returned to her home and is recovering nicely from her recent operation.

Next Sunday will probably be the last Sunday for some time that Rev. Buehler will be in the pulpit of the Community Church. Every one is cordially invited to attend morning worship service at 11 o'clock; Sunday school at 10 as usual. Rev. Hewitt expects to be home soon and will occupy the pulpit.

The young son of Dr. and Mrs. Neils was injured and suffered a skull fracture last week Wednesday when he fell from his bed and hit the head against the iron leg of the bed. He is being treated and recovering as rapidly as possible.

The R. Tanner family, who lived in one of the E. E. Lehmann cottages, has moved into the Bartlett cottage recently vacated by the John Meyer family.

Miss Anne Petru of Chicago visited her cousin, Mrs. Fred Hamlin, on Sunday.

Mr. and Mrs. Will Pester of Chicago spent Sunday with his parents.

Mrs. Daisy Riney entertained her daughter from Michigan late last week. She had come to attend the wedding of the second daughter of Mrs. McLaren, Mrs. Riney's other daughter, in Chicago the week previous.

Dragon's Sword Found

What is declared to be a dragon's

sword of the Seventeenth century

period, and probably a relic of the Covenanted days, was found at Stone

house, Scotland, by two school boys.

The sword was firmly incised in what

appeared to be a leather scabbard, but

age, so rotted it that it fell to pieces

when the weapon was withdrawn. The

blade is hooked, heavily rusted and

measures 30 inches from hilt to tip.

LAKE VILLA COUPLE ARE PARENTS OF SON

Bojan Hamlin Receives 3-Year Scholarship to Kemper Hall

Mr. and Mrs. Lester Hamlin announced the birth of their second son at St. Therese hospital in Waukegan last Saturday.

Bojan Hamlin received word Monday that she was the very lucky winner of a prize which includes scholarship and other expenses to attend Kemper Hall, school for girls at Kenosha, Wis. This prize was awarded in a competition which the school conducted a few weeks ago and is very valuable, and entitles her to a three-year scholarship. We congratulate Bojan, who, we feel sure, will make good use of the time spent there.

The Ladies' Aid Society had a very pleasant meeting with Mrs. Hewitt at the parsonage last week Wednesday and thoroughly enjoyed seeing the many interesting things which the Hewitt family has collected in their years of travel and work. The next regular meeting of the group will be at the Ladies' Aid rooms on Wednesday, July 11th, and Mrs. Swanson will be hostess. The ladies held a very successful bakery sale Saturday at the Peterson store and wish to thank all who helped to make it successful.

Miss Marguerite Galiger, who has been in training for nurse at Dixon State hospital, was one of a class to graduate from there Monday evening and several from here attended the exercises, among them being her family, her aunt, Mrs. Olson of Waukegan, and Mrs. Swanson.

Miss Lindsay, a Chicago school teacher, has opened her cottage on Oak Knoll Drive and is out for the next two months or more.

Miss Augusta Lehmann, who spent the past winter and spring in Paris, has opened her home here and will enjoy it this summer.

Mr. and Mrs. Joe Escherich have moved to the cottage formerly occupied by Allen Thomas on Oak Knoll Drive.

Wilmot Community Reports Storm Damage

Lasco Funeral Is Held at the Peace Lutheran Church

Saturday night's windstorm blew down the sheep barn on the farm owned by Carl Gauger, twisted the silo out of line and broke several windows in Mr. Gauger's residence. Damage amounted to \$2000 and was covered by insurance. A barn on the north side of the Wilmot-Trevor road belonging to Mike O'Malley was demolished. A limb of a tree fell on electric wires in front of the home of Rev. S. Jedeole and broke a wire. Traffic was interfered with until repair men had adjusted the damage. An apple tree blew over on the roof of the Elmer Vincent home and crashed in the back of the house. Numerous trees were uprooted and limbs broken off others in the village.

Funeral services for Harry George Lasco, 22, son of Mr. and Mrs. William Lasco, were held at two o'clock Monday afternoon at the Peace Lutheran Church, Rev. S. Jedeole officiating. Burial was in the Antioch cemetery. Harry Lasco was born in Antioch Township on February 27, 1912. Three years ago he was afflicted with rheumatism from which he never recovered. He died Thursday evening, June 21, at the home of his parents near Channel Lake.

The deceased is survived by his parents, five brothers and one sister.

Mr. and Mrs. Edward Boulden and daughter, Lorraine, of Chicago, spent Saturday with Mrs. Hannah Boulden. Mr. and Mrs. Earle Boulden of Appleton were overnight guests at the Boulden home Saturday.

Mrs. T. C. Loftus returned home Sunday from a two weeks' visit with Mr. and Mrs. Ray Ferry at Kenosha. The Holy Name Church is holding a Bazaar, dinner and supper at the Church dining hall Sunday. Dinner will be served from 11:30 on, and supper from 5 o'clock on. Rev. J. Finan was in Milwaukee Tuesday to buy supplies for the bazaar.

There will be two services at the Lutheran church on Sunday. English services will be at 9:30 and German at 10:45 in the morning.

Mr. and Mrs. B. Bright, Mr. and Mrs. G. Bremmer and Mr. and Mrs. Seth Parker and daughters from Chicago were week-end guests of Mr. and Mrs. Walter Klein. Junior Klein, who spent the past week in Chicago with his grandparents, Mr. and Mrs. J. Fleiter, returned home Saturday.

Mr. and Mrs. William Harm, John Grabow, Mr. and Mrs. Joe Balza, of Kenosha, motored to Yester, Iowa, on Monday.

Church Notes

CHRISTIAN SCIENCE CHURCHES

"Is the Universe, Including Man, Evolved by Atomic Forces?" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 24.

The Golden Text was, "To us there is but one God, the Father, of whom are all things, and we are in him" (I Cor. 8:6).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Bless the Lord, O my soul. O Lord my God, thou art very great; thou art clothed with honour and majesty. Who coverest thyself with light as with a garment: who stretches out the heavens like a curtain; who layeth the beams of his chambers in the waters; who maketh the clouds his chariot: who walketh upon the wings of the wind: who laid the foundations of the earth, that it should not be removed for ever" (Psalms 104:1-3, 5).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Material evolution implies that the great First Cause must become material, and afterwards must either return to Mind or go down into dust and nothingness. . . . Inspired thought relinquishes a material, sensual, and mortal theory of the universe, and adopts the spiritual and immortal" (p. 547).

"WHY HELEN, DON'T THE
ICE TRAYS STICK?"

"MY DEAR, ICE TRAYS THAT
STICK ARE OUT-OF-DATE . . ."

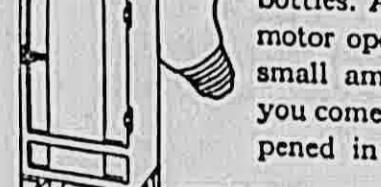

Ours is a Frigidaire '34"

Automatically—at a finger touch—ice
trays glide from the freezer of the Frigidaire
'34! But that's only one of the
features of this fine Frigidaire.

For instance, the Super Series
Frigidaire '34 has automatic de-
frosting; it has Lifetime Porcelain
inside and out; it has the
new Sliding Utility Basket for
eggs and small articles; and the
Frigidaire Servashelf that's so

convenient when rearranging things in
the refrigerator.

Nor is that all! . . . double Hydrolat
capacity; interior lighting; faster freezing;
and more-than-generous food
space, with extra room for tall
bottles. And the powerful, quiet
motor operates on a remarkably
small amount of current! Will
you come in and see what's hap-
pened in electric refrigeration?

MODEL STANDARD 44

Here is a Frigidaire that Uses Less Current than One Ordinary Lamp Bulb

FOR ONLY
One
Nickel

Five cents—the cost of a package of gum—will operate a washing machine
at one time—for a solid hour at the new 2c per kilowatt-hour portion of
the electric rate, i.e. effect after 17 kilowatt-hours per room have been used in
a month. Other useful electrical devices also cost but a few pennies to op-
erate. Take advantage of the new low rates—think what comfort, what con-
venience the use of labor-saving appliances will bring to your home.

As the match is out of doors, smoking will be permitted and to add color to the affair, music will be furnished by the Libertyville Municipal Band. Promoter Behning predicts there will be nearly as many lady fans in the crowd as men as both wrestlers were always great favorites in and about the county with the fair sex.

Good Preliminaries

While the main attraction will be the Plummer-McMillen championship, the preliminary matches should also keep the spectators in an uproar during the early part of the evening.

Matchmaker White has selected several of the leading wrestlers for these matches. In the semi-winnow, "Buckets" Goldenberg, Milwaukee's sensational young wrestler, is pitted against a rough and tough customer in George Mack, Chicago Rowdy and Bohemian champion.

Another match that will attract more than its share of interest, will be a thirty minute battle between Hans Bauer, stocky German Oak, and Rudy Hoffman, Pestle health club physical culture expert. One more excellent match will complete the program.

In the event of rain the show will be postponed to the following day, Saturday, June 30.

Aces Lose Close Game To Grayslake

Perfect defensive play on the part of the Grayslake Merchants, while Antioch Aces made four costly errors accounted for the Aces' defeat Sunday 3 to 1 at Grayslake.

Sheehan pitched his usual consistent game for the locals, striking out six batters and allowing nine hits, which coupled with the misplays, allowed the home team their three markers. The Aces also clouted nine safe drives off the offerings of

GOPHER DAMAGE IS FURTHER THREAT TO SCANTY PASTURES

Urbana, Ill., June 27.—With forage plants and pastures already at a low ebb owing to the recent drought, Illinois farmers can well afford to supply control methods to prevent further damage by prevalent ground squirrels or "gophers," says G. C. Oderkirk, of the U. S. Biological Survey.

Destruction by these field rodents, which are particularly common in the northern half of the state, may not appear large in individual fields, but in the aggregate it costs farmers thousands of dollars annually, Oderkirk said. He is cooperating with the College of Agriculture, University of

DIETZ' STABLES BURNS TO GROUND

Temporary Dance Platform
to Be Ready for Use
Saturday

The popular dance hall, Dietz Stables, located on Route 59-A at Ivanhoe was totally destroyed by fire when fired by lightning last Saturday night during the electrical, wind and rainstorm. Total damage was estimated by Louis Dietz, proprietor, to be \$30,000. Lightning struck a pole about 500 feet from the hall and short circuited a wire leading into the place, starting the fire.

No fatalities or injuries occurred during the exit of the 500 dancers who calmly followed orders given over the public address system within the hall to file out slowly through the two large exits. The members of Chris Hapke's orchestra remained at their post during the confusion and continued their playing until the public address system blew up.

Firemen from Libertyville, Mundelein and Grayslake answered the alarm but were hampered in their work because of the number of cars gathered at the scene. They suc-

ceeded in preventing a spread of the fire to the Dietz store and buildings on the John Wirtz farm.

One man, Joseph Dolphus, a guard, at the Mundelein State bank, was injured when struck by an auto after he had volunteered to aid in preserving order about the dance hall and on the highway.

Dances to Continue

Louis Dietz, proprietor, announced that he was having a temporary dance platform constructed under a tent, which will be ready for use Saturday night. He requests that all his friends be present and continue their patronage. Plans are being made for the erection of a permanent dance hall on the same site.

The old building was erected by Edward Dean as a large farm barn in 1872, and in May 1927 it was completely renovated by Dietz and had been operating as a dance hall since that time.

EPISCOPAL CHILDREN ENJOY PICNIC OUTING

The annual Sunday school picnic for the children of St. Ignatius' Episcopal Church was held yesterday at Fox River Park. The day was spent in playing games and participating in various contests and races. About thirty were present, including several of the parents.

Marguerite Installs New Equipment

The Little Marguerite Beauty Shoppe has recently purchased a new Turbinator hair drier which is the latest development in the beauty profession.

The machine dries the hair in about half the time that the ordinary drier takes to do the same work, and is not so hot, also much quieter.

Another improvement is the fact that it is not necessary to have the hood of the new drier low on the face, as in the usual type, which has a tendency to dry out the skin.

A new Electare shower has been added to the Shoppe equipment, which is a small powerful portable type of machine and is used to eliminate any discomfort when having a permanent wave.

Also many little items for the convenience and comfort of customers have been added this spring.

LAKE TRAGEDY—

(continued from page one)

Mrs. Behanna, was the father of two children, Wilfred, Jr., 6, and John, 3. He was the son of Mr. and Mrs. John E. Hall of 402 North Elmwood avenue.

The deceased was born and raised in Waukegan and educated there and at the University of Illinois, taking his law degree at the Chicago Kent College of Law. He served as Justice of the peace in Waukegan and became Assistant State's Attorney under State's Attorney A. V. Smith, continuing in that capacity under the present administration, retiring later to devote his time to his private practice. He was a member of the board of directors of the Illinois Tuberculosis Association, which position he had held for several years.

Mr. Hall was highly popular among business and professional men in the county, was a member of Homer Dahringer Post of the American Legion, the Masonic order, the Elks, the Knights of Pythias, and Glen Flora Country club.

Survivors include the mother, three brothers, Albert L. Harry, and A. T. Hall, and four sisters, Mrs. C. T. Ross of Waukegan, Mrs. Everett Norlander of Park Ridge, Mrs. Louis Hercovitz of Chicago and Miss Dorothy Hall, who makes her home with her parents.

Services were conducted at 9 o'clock Tuesday morning at the Wetzell and Peterson chapel for Mrs. Behanna, and the remains taken to Valparaiso, Ind., for services and burial.

Mrs. Behanna was born Aida Marie Foster in Valparaiso in July, 1903. She was educated in Valparaiso and at Valparaiso University where she met Mr. Behanna who was also a student at the University. She taught school at Oak Park and they were married in June, 1926, and came to Waukegan where Mr. Behanna had started the practice of law.

She was widely known throughout the county, especially in the vicinity of Antioch, where the law firm of Runyan and Behanna formerly conducted a law office.

Another improvement is the fact that it is not necessary to have the hood of the new drier low on the face, as in the usual type, which has a tendency to dry out the skin.

A new Electare shower has been added to the Shoppe equipment, which is a small powerful portable type of machine and is used to eliminate any discomfort when having a permanent wave.

Also many little items for the convenience and comfort of customers have been added this spring.

Mr. and Mrs. B. R. Burke were dinner guests of Mr. and Mrs. A. W. Dubbs of Waukegan, Friday evening. Mrs. William Dodge, of Ringwood, is spending the week with her daughter, Mrs. George Bacon.

*Let Us
Live Our Patriotism*

*WHEN Freedom from her mountain height
Unfurl'd her standard to the air,
She tore the azure robe of night,
And set the stars of glory there!*

On the Fourth of July we celebrate the birthday of freedom. The "stars of glory" will shine brightly in our flag only so long as we maintain loyalty.

This means more than talking patriotism. It means living it—by keeping informed about affairs so that we can vote calmly, intelligently, for good men and good measures. On this Independence Day let us resolve to be better citizens by informing ourselves even better about the problems of the times!
